The products covered by this report are accessories for use with this manufacturer's other mounts using pipe extensions or tubing that threads into collar on accessory. The complete assembly with mounted device shall be evaluated in the end product.

Corrosion Protection – All ferrous metal parts are plated or painted to provide suitable protection against corrosion

Assembly Instructions are to be included with each accessory. The installation instructions shall identify the maximum load weight in kg.

To be labelled "CAUTION WEIGHT CAPACITY of XXXkg maximum. Use with products heavier than the maximum weights indicated may result in instability causing possible injury." (see Table 1 for Weight Capacities) Label should be located on Plate or packaging. This Caution marking to be also in the German Language.

Brand names include Chief, Sanus Systems, iC, Fusion, Cynergy, and Reaction.
